FEATURES

A TRIBUTE TO CYCLING HISTORY

These bottles are dedicated to those who cherish the **authentic spirit of cycling** — the kind made of **real effort, gravel roads, and unshakable passion**. The shapes, materials, and details evoke the era of the great champions, reinterpreted today with a **clean and confident style**.

CLASSIC DESIGN AND REFINED DETAILS

The **aluminium body** faithfully follows the lines of traditional bottles, like those seen in **black-and-white photos** from the early 20th century.

The **cork cap**, tied to the bottle with a **traditional cord**, recalls the **functional solutions** of the past.

The applied graphics are enhanced by **manual finishing**, which brings out their **unique character**, resulting in a bottle with an **elegant and distinctive look**.

SATIN FINISH AND TIMELESS STYLE

The **satin aluminium surface** gives the bottle a **refined appearance** and a **pleasant tactile feel**.

Every detail, from the texture to the decorations, is designed to create a product with **strong visual impact** and **genuine charm**.

SAFETY AND FUNCTIONALITY

The interior is protected with a **food-grade coating**, ensuring **safe and long-lasting use**, even with **hot or acidic drinks**.

A COLLECTION WITH CLASSIC INSPIRATION

Essential shapes, iconic materials, and **evocative graphics** come together in a collection that celebrates the **timeless appeal of vintage cycling**.

Each bottle is available in **five graphic variants**, each with its own **visual and historical identity**, perfectly balanced between **functionality and style**.
