## FEATURES

Bottle body with double-start thread (8 mm pitch) for quick fastening.

Cap with spout so you can drink your beverage straight from the **Shaker**. Spout diameter 27mm.

**The surface of graduated scales is mirror-polished so you can directly see its content, while the silk-screen printed surface is sandblasted.**

The two graduated scales display the volume in millilitres (ml, max value 700 ml) and ounces (oz, max value 24 oz).

**Two notches on the cap make it easy to open/close it.**

Cap and bottle body are mirror-polished inside so dirt and grime won't leave any residue after cleaning them.

Features a **mixing grid** so the content can be stirred appropriately.
