BOTTLE FEATURES

ICONIC CLASSIC DESIGN

The shape of the bottle precisely echoes the **essential lines of historical models**, inspired by those used in the early days of cycling. The design is **clean, authentic**, and **instantly recognizable**.

DETAILS THAT MAKE THE DIFFERENCE

The **cap is secured to the bottle with a collar**, a detail that recalls vintage solutions and gives the product a **strong visual personality**.

INTEGRATED TEXTURE FOR A SECURE GRIP

The body of the bottle features a **molded texture integrated into its structure**, designed to provide a **more comfortable and stable grip**, even in dynamic use conditions.

WIDE OPENING FOR MAXIMUM PRACTICALITY

The **37 mm wide mouth** allows for **quick filling, generous dispensing**, and **easy, effective cleaning**, even after using energy mixes or supplements.

UNIVERSAL COMPATIBILITY

With a **74 mm external diameter**, identical to traditional bottles, it ensures **full compatibility with all standard bottle cages** on the market.

FOOD SAFETY

All our bottles are made with FDA-approved materials and comply with **European CE regulations** governing materials intended for food contact.

BPA FREE

All components of the bottle are **completely BPA-free (Bisphenol A)**.

RECYCLABILITY

The materials used are **recyclable through standard recycling systems**.
